File No. P-17024/8/2019-RC (369627)
Government of India
Ministry of Rural Development
Department of Rural Development
(RC Division)

Krishi Bhawan, New Delhi
Dated 17th July, 2020

To,

The Secretary,
Public Works (Roads & Building) Department,
Govt. of Haryana,
Room No.202, 2nd Floor,
New Civil Secretariat,
Sector- 17-C,
Haryana - 170017.

Sub: Clearance of proposals submitted by the State of Haryana under PMGSY-III (Batch-I, 2020-21)- reg.

Sir,

Kindly refer to the project proposal submitted by the State of Haryana under PMGSY-III, which was considered by the Empowered Committee in its meeting held on 05.05.2020. On the basis of the recommendations of the Committee and compliance by the State, I am directed to convey the provisional sanction of the Ministry for the proposal as per the summary given below:-

Items	Up-gradation roads	Total
Value in Rs Crore	383.58*	383.58
No. of works	83	83
Length in Km	688.94	688.94
Average cost per Km (Rs. in Lakhs)	55.67	55.67
*MoRD Share: Rs. 229.03 Crore		State Share: Rs. 154.55 Crore

2. The OMMAS based road list along with the abstract is enclosed.

3. The above clearance is accorded subject to the condition that the following activities will be completed by the state:

i. State should verify the traffic density of those roads having more than 1 MSA traffic through third party as per guidelines and ensure that the reports be attached with the DPRs.
ii. State should ensure 9 m top width for entire road length of 5.5 m carriageway as per IRC guidelines. However, in exceptional cases where adequate land is not available for 9 m top width, only for minor stretch on the entire length of the particular road, minimum 7.5 m top width with adequate road safety measures may be provided. AllCD works including new/existing should be provided 9 m top width.
iii. Quality control lab must compulsorily be established and geo-tagged time stamped photograph of Engineer In-Charge visit in the lab should be uploaded on OMMAS before commencement of work. No bills will be entertained in its absence.
iv. State should get appropriate number of samples tested for stabilization of base and sub base courses for determining the dose of stabilizer for required strength, before award of work, from STA laboratories/State Government approved laboratories having such facility.
v. State must ensure that the payment to Cement Concrete roads is made only after verification of target strength achieved after 28 days based on cores taken from the pavement as per MoRD specifications.

vi. State has made provision of 225 mm WBM overlay on existing roads proposed in Mewat, Jhajjar and Sirsa districts. NRIDA Team would visit these districts and verify the DPRs with site conditions. If required, cost of such projects will be revised based on the verification report.

vii. Since e-Marg module will be used for monitoring of maintenance contracts for roads under PMGSY III, State should ensure that process of onboarding on e-Marg is completed.

4. The state should enter into Memorandum of Understanding (MoU) between NRIDA, Technology Provider and SRRDA for the roads sanctioned using new materials /IRC Accredited materials as per new technology initiative guidelines.

5. The State will enter into a Memorandum of Understanding with the Ministry of Rural Development, Government of India before launching of the Scheme in the concerned State for providing adequate funds for maintenance of roads constructed/ upgraded under PMGSY for initial five years routine maintenance, and for further five year routine maintenance including periodic renewal as per requirement'.

6. The State has to comply with para 21.4 of the PMGSY-III Programme Guidelines which stipulates that planting of fruit bearing and other suitable tress, on both sides of the roads would mandatorily be taken up by the State Governments/Union Territories by using funds under Mahatma Gandhi National Rural Employment Guarantee Scheme and other Central and State Schemes. Guidelines on Tree Plantation along with Rural Roads (IRC: SP: 103-2014), published by Indian Roads Congress should be followed for plantation of tress along the roads constructed under PMGSY-III.

Yours faithfully,

Encl.: As above
