### **Overview of the Project:-**

#### **Introduction to work :**

This road is located in Bandhapada GP , Deogaon Block, District : Bolangir in the State of Odisha. It originates from PWD road and ends at Chhatapipal and benefit village such as Chhatapipal, Dangarpada, Sandhijore, Antarla, Pipalpadar, Tepren and Bandhapada. It also acts as through route to connect Deogaon Block to Saintala Block. This road is a key component of Rural Development by promoting access to economic, social, medical and educational facilities and thus generating increased agricultural incomes and facilitating employment opportunities. It is also a key factor in ensuring poverty reduction.

#### **Need for work :**

Construction of this existing rural road based on their economic potential and their role in facilitating the growth of the rural market centers and rural hubs. Development of growth centers and rural hubs are critical to the overall strategy of facilitating poverty mitigation through creation of rural infrastructure.

#### **Challenges :**

To provided all weather connection and for public utility, provision for construction of road and Bridge over Sonegarh Nallah with required number of structures, cross drainage and protection works to satisfy the demand of increased traffic and improved riding quality.

### **Implementation Process:-**

#### **Outstanding contribution by individual / Functionaries (if any):**

Sri Kalikesh Narayan Singhdeo, Honorable Ex-MP Bolangir Lok Sabha, Sri. Narasingha Mishra, Honorable MLA Bolangir, present MP Smt. Sangita Kumari Singha Deo, Bolangir and all members of District Panchayat, Bandhapada have significant roles in implementing the project.

#### **Impact:**

This road directly connects the habitations of Chhatapipal-474, Dangarpada-497, Sandhijore-828, Antarla-655, Pipalpadar-469, Tepren-745 and Bandhapada-857 with population and indirectly connects one block headquarters i.e Deogaon Block of Bolangir District. Thus total population served by this road is 4525.

Before improvement of this route, the road condition was so pathetic (PCI Value-2), the villagers were facing a lot of difficulties in getting their medical, educational, transportation facilities and also in transportation of agro products. After construction of this road & Bridge the riding quality of the road improved in such a way that, now the villagers are able to cater their basic minimum needs qualitatively. The farmers of the locality are now transporting their agro products such as paddy, vegetables, fruits, etc conveniently and the socio economic conditions of the villagers has improved manifold.
